Whoever loves to be near the calming sound of water and waves will find Villa Point Lookout the ideal location for their holiday. The British set designer Oliver Messel built this stately holiday home on a narrow spit of land, surrounded by the sea from two sides. The spacious design with numerous columns, the terracotta floors and the sophisticated dark timber furnishings bestow a gracious and elegant character on this house.

The social life of this small island revolves around Basil`s Bar; it is the place to meet where one can run into stars such as Mick Jagger or Kate Moss. House staff and wash service are included in the rental price of the villa. From 1873 EUR/day.
