Enter into the large open plan living room which is simply, but comfortably furnished. It has a country atmosphere with a fireplace and lots of windows facing the wonderful views to the beach and sea beyond. Double french doors lead to an expansive, covered veranda only steps from the sea. Off the living area is a well equipped open plan kitchen with wooden cupboards and a dining area. Also on the ground level is a w/c shower room and a bedroom with double bed and sea facing windows. A steep wooden staircase leads to the second level bedroom which is furnished with double bed, en-suite w/c shower room and French doors leading to a fantastic balcony overlooking the sea. This rare and beautiful setting above the sea is the perfect spot for relaxing with a good book, or unwinding with a glass of wine whilst the summer sun slowly slips away. There is not much need to venture far from this comfortable holiday house next to the sea. Villa Poseidon is set at the far end of Babakies Beach and is reached from the costal road by a narrow path through an olive grove. The villa is very private and stands just above the beach with no close neighbours. The best feature of Villa Poseidon are the outdoor spaces, the great verandas with the sea and beach so close at hand.

The uninterrupted 180 degree views of coastline, the village of Kalamakia and across the sea to the island of Peristera are stunning. The drive to Kalamakia is only a few minutes from this holiday home,

and the Village of Steni Vala about 10 minutes drive. Steni Vala is the most picturesque fishing village on the island and a must-see for most visitors to Alonissos. The tavernas specialise in local seafood dishes and the tavernas hang on the edge of the turquoise blue water. Water taxis run regularly from this small port to many nearby beaches including one of the islands best, Agios Dimitrios. There is also a small beach at Steni Vala and a mini-market for most essentials. The drive to the main port town of Patitiri is about 30 minutes from the villa.
