Costa dei Gabbiani, also called the coast of the herring gulls, is a green, unspoilt plateau at the south-eastern end of the island of Elba. The holiday village is located in the heart of this plateau. 450 hectares of forest cover the slopes reaching down towards the sea, where private beaches are at the disposal of the guests of Costa dei Gabbiani. This part of the coastline is 12 km long, and small beaches and bays alternate with steep cliffs. The holiday village offers a vast variety of accommodations: an old mansion, which has been transformed into a neat, small hotel, several apartments, that are located in the so-called "fattorias", and different villas, which are spread throughout the stone pine forests.

With a living space of more than 400 sqm, Villa Api is the largest holiday home of Costa dei Gabbiani. The tasteful furniture and the terracotta floors create a warm and cosy atmosphere. An arcade is the entrance to the villa. It opens up into the courtyard, which is surrounded by stone pines and cypresses, and to the sea. The pool (5 x 3 x 1.3 m) is situated in the garden, and the pool deck is paved with teakwood. The distance to the reception and the tennis courts is about 1800 m.
