In the quiet fishing village of Seseh is this oceanfront holiday villa, located on an elevated rise overlooking a isolated sweep of Bali`s south coast. Marvellous views from the terraces take in the Nusa Dua peninsula and the sunset over the Indian Ocean. Villa Mandala is one of Bali`s original seafront properties. It is maintained to the highest possible standards, with its loyal staff ensuring the finest hospitality. Villa Mandala makes for an unforgettable honeymoon or romantic hideaway, with cool ocean winds fanning the large drop off pool and wooden decks, that wrap around the villas two separate structures.

The everyday living pavilion is open to the ocean, circular in shape and highlighted by a round day bed lounge in the middle of the room. Adjacent is the bedroom pavilion, complete with an attached office, walk in dressing room and an ensuite bathroom. Large sliding doors open up the bedroom, to the covered decks and the unbeatable views across the pool, gardens and the distant ocean. The beach is quite literally at the bottom of the garden, its bluffs and rocky outcrops ideal for walking and exploring.
