This two-storey holiday villa features two apartments that are only rented entirely. If it is only rented to a party of six, the smaller apartment will be locked. The villa offers spacious terraces and is surrounded by a large garden with Olive- and Eucalyptus trees, providing many shady corners for relaxing. Settled on the outskirts of San Giorgio, it is only 80 m away from the seashore. Due to this short distance both units offer spectacular views of the sea and the Aeolian Islands. Allocated on two floors, both apartments dispose of a direct access to the spacious terraces, which are nicely equipped with garden furniture. A barbecue in the backyard is at the disposal for the guests of both apartments. Furthermore, one will find an external shower and private parking. The villa suits very well for two families. A discount of 10% will be granted if both units are rented together.
