Contemplamare is a semi-detached villa, which has been built recently and is situated in Marina di Modica, on the southern coast of Sicily. Its position is absolutely privileged: a few steps away from the property extends a white reef of rocks mildly descending towards the sea and just 100 metres away a long beach of thin golden sand which is typical of the most beautiful localities of southern Sicily. The holiday home has been furnished according to the owner's good taste. It can host up to 10 persons and is divided into two apartments that are completely separated from each other. The large living-room and the kitchen of Contemplamare 1 look onto an equipped terrace decorated with laurels, jasmines and a rich variety of succulent plants.

Both bedrooms are located on the first floor and have their own balconies, offering splendid sea views. Modica is an ancient Sicilian small town placed in the south-eastern area of the island, and has been declared UNESCO world heritage. Among the several churches and mansions worth visiting is the magnificent "Chiesa di San Giorgio" (Saint George Church) with its flight steps. Very beautiful places to go for a day-trip are the ancient Sicilian towns like Noto or Siragusa. There is also a boat that will take you to the neighbouring island of Malta in one hour.
