One double bedroom has a bathroom ensuite and a small terrace with access to the garden and pool. The other bedrooms share one bathroom. The living room has large french doors, which lead out to the pool terrace. The open fireplace and the wooden beam ceiling gives the room a rustic character. The ample kitchen is equipped completely and functional. From the kitchen to the dining room, there is a pass-through, which many houses have, built in the 60s.

Also the dining room features french doors, which lead out to the pool terrace. Due to a porch, it is perfect to have lunch outside in the shade. The fourth bedroom with bathroom ensuite is located in the upper floor. It has a seperate entrance by an external staircase. Here is also a large terrace, that offers spectacular sea views. The refreshing pool is 5 x 8 m large. From the generous pool terrace a path leads through the garden to a gate. Behind the gate there is a bathing platform, where one can swim or snorkle in the sea. A cleaning woman comes on wednesdays and saturdays. The center of Cala d Or is one kilometer away. Shopping facilities can be reached by foot in 10 minutes.
