

Dammuso Pantelleria

Italy - Sicily - Pantelleria

per Dammuso:

4 to 6 persons – 80 sqm – private pool (10x7m) – large terrace with sea view – aircondition in the bedrooms

1 living room with convertible sofa bed – 1 well equipped kitchen – 1 double bedroom with bathroom with tub/WC – 1 double bedroom with shower/WC

The seven independent houses have the same floor plan and were built in 2005. Only the terraces and gardens differ in the size. The traditional houses with a dome roof, consisting of lava stone are called Dammusi. They have massive exterior walls, so there is a very comfortable interior climate throughout the year. As a special feature for the island of Pantelleria, each Damusi has its own large pool. Beside that they have a private garden in Arab style. All houses offer views of the sea. Each Dammuso has air conditioning and SAT-TV. The interior is very comfortable and high-quality with terracotta floor. The living space is much more ample than in the old Dammusi.

There is one living room with sofa bed, a well equipped open plan kitchen and two double bedrooms. Both bedrooms have their own bathroom. The sea with its volcanic, rocky coast is about 300 m away. In the center of the resort one can find the reception, where there is internet access for free. Qualified staff assist the guests with information about the island, for shopping orders, or organization of tours at the island or sea. Shopping facilities are in Pantelleria. We recommend a rental car.
