Villa Paci is a beautiful country house, imbedded in Sicily`s impressive landscape with its green, rolling hills. The small village Pietrapercia is close to the holiday home. The house is surrounded by a large garden (appr. 6000 sqm) with sun decks and a pool. On the terrace, there is garden furniture and a dining table. The pool (10 x 5 m) has a depth of 1.2 m and is at the disposal of the guests from may 21 to september 30. There are sufficient loungers, an outdoor shower and a barbecue. The villa is furnished beautifully in the typical Sicilian style.

The colours of the walls are consistent with the furniture. From the living room, a broad stair leads up to the upper level. The well-tended vacation property enables the guests to enjoy a comfortable, relaxing stay. In the large garden, there is also a small house which is occasionally occupied by the owner. A covered, private parking space on the property is at the guests` disposal. Shops, restaurants, and banks can be found in Pietrapercia.
