Villa Duart is situated within the grounds of another principal residence in the middle of Esterel. This elegant, newly-constructed holiday villa is surrounded by 2200 sqm well-tended gardens. The rustic interior furnishings are elegant and very comfortable, giving the house a homely atmosphere. Extending over two floors, the spacious living room has a cosy fireplace corner and is equipped with a video(VCR)-stereo system. From here, one reaches the adjoining sheltered terrace through the large French doors. The modern, well-equipped kitchen also has direct access to the flower-filled garden with its spacious barbecue area.

Located directly next to the villa's own pool (12 x 6m.), with multi-jet-stream, is the 60 sqm sun terrace, with garden furniture. The thick, lush planting in the garden protects the holiday home from the sounds of the road on the edge of the property. With advanced reservation, guests can use the tennis court belonging to the main residence. The owner occasionally occupies some rooms in the basement, which have a separate entrance.
