Villa Fegari is situated in absolute seclusion, high above the town of Skopelos. The breathtaking views over the town below, surrounding the natural harbour in the bay like an amphitheatre, reach as far as the neighbouring island of Alonissos and provide a panorama which will linger on in your memory forever. The holiday house is built into a hillside and has two floors. On the upper floor you will find the modern, fully equipped kitchen leading out onto the small terrace with a built-in barbecue. A large dining room is connected directly to the open kitchen.

Two steps further down is the spacious living room with open fireplace. From here, French doors open onto a balcony.

Two double bedrooms, each with its own bathroom, are located on the lower floor. In addition, there is a large terrace surrounding a well maintained swimming pool. The third double bedroom, with its attached bathroom, is reached from this terrace. All of your shopping needs can be catered for in the numerous shops and boutiques of Skopelos town. Numerous beautiful sandy beaches are but a few minutes away by car. Therefore we strongly recommend the hire of a car or motor scooter.
