The beautiful estate of Villa Toscanini is located directly at Lago Maggiore and is well known for its lush gardens. Rhododendrons, roses and magnolias aged more than 200 years emblaze this lovely property with its fantastic views of the lake. From time to time, weddings or other events take place in the manor house. But when it is not in use, its beautiful grounds and garden can be used exclusively by guests of the apartments.

The holiday apartments Duett, Trio and Quartett are located in an side-building and can be rented separately or together. Apartment Duett has a bright, loft-like atmosphere. The bathroom is accessed via a narrow staircase. The terrace offers stunning views of the lake and the island. Duett and Quartet can be connected by a common door, thus making the whole place suitable for a group of 6. The owner's motor boat and rowboats are available for rental. Nearby Toscanini Island is a perfect boating destination.
