The Farm House and adjacent Barn are located in a small village, surrounded by beautiful green, rolling hills. They are set in beautiful gardens of approximately 5000 sqm within an idyllic hamlet. The holiday houses can be rented separately or entirely. The barn is more than 400 years old. Maintaining their rustic style, the houses have been equipped with practical amenities, such as central heating, a sauna in each house, phone, fax and Sat-TV. In these properties high standards of design and comfort meet the countryside.

Yet, one is not isolated, because in the surrounding area there are golf courses, horse riding establishments, tennis courts, Nordic and alpine skiing, as well as hiking and biking trails. Within a short distance is the romantic River Danube where there are daily boat trips on offer. A heatable pool takes centre place within the fenced garden, and is shared between the two units. There are two bikes at the guests' disposal in order to explore the beautiful landscape surrounding the property. The Bavarian capital Munich with its beautiful atmosphere is easy to reach from here.
