This lovely holiday apartment was converted from part of the original convent, and is situated close to the church of Santa Maria Nuova in the center of Perugia. The apartment is located just outside the old city walls and enjoys views of the gardens, which border the city on one side, and the countryside on the other. The apartment is accessed via the church's courtyard. The main piazza of the city is a short walk away. Access to the apartment via two flights of stairs; there is no lift. So it is less suitable for elder or disabled persons. It is divided into two levels.

On the first level, the bedrooms and bathrooms are located, while on the second level there is a spacious livingroom and a fully equipped kitchen. Unique terracotta floors, elegant furnishing, high beamed ceilings, a large working fireplace and valuable paintings make apartment Alessi an upscale accomodation for discriminating travellers. There is a small, equipped terrace (3 sqm) with views onto the countryside. A baby cot is available on request at an extra charge. Parking only at public parking decks.
