The luxury Villa Font de l'Orme is set in the center of Mougins, surrounded by a garden of 5000 sqm with cypress trees aged a hundred years and more. Due to the size of the garden this holiday home is detached and not visible from the village road. During high season, absolute tranquility cannot be guaranteed in the garden. Next to the pool, there is a pool house offering an al fresco dining area and barbecue. At the other side of the garden there is the tennis court. On the ground floor of the holiday villa lies the living room with fireplace and stunning views of the garden. There is a Bang & Olufsen TV with video and a stereo. The fully equipped kitchen invites to prepare French cuisine after shopping at the unique local markets. The patio, accessible from the kitchen, has a tasteful iron-wrought table and comfortable benches.

The Suite with a large double bed and bathroom with tub and shower is located on the ground floor as well. The main building is kept in the style of a Bastide with beautiful terracotta tiled floors throughout the house. A terracotta staircase leads to the first floor. There are four bedrooms which all dispose of an own bathroom with tub or shower.
