This property is located in the south of the island, only a few minutes away from the small village of Alik. The sea with the rocky coast line laps directly to the large garden. It is only a 5 minute walk to reach a beautiful sandy beach. Makria Miti 2 is set on the same premises as Makria Miti 1. The two houses are set on sloping grounds and approximately 30 meters apart from each other. Each villa has its own garden with a terrace and private pool. Yoga courses and massages in the villa can be arranged. A boat with skipper can be rented separately on site. In the nearby village Alik there is a diving school.

In this villa one will also find a tasteful interior and well selected colours.

The owner's sensivity in terms of style and design combine traditional and modern elements and thus create an inspiring ambience. The proximity to the sea makes the estate a perfect holiday retreat. Daily service (cleaning, preparing breakfast and lunch or dinner) is included in the rental, 4 hours daily from monday to saturday and 2 hours on sundays. The costs for the beverages and the groceries are charged separately. Supermarkets, tavernas and restaurants are available in Alik, Punda and Parikia.
