This nice vacation villa is located on a sloping estate, only a few meters away from the rocky coast line. It is the right place for those who look for tranquillity and relaxation. It is also a good position to explore the ancient sites of the Eastern Peloponnes and the islands in the Saronic gulf. This two-storied house offers about 160 sqm dwelling space. Tiled floors, wooden timbered ceilings in the upper floor and the tasteful decoration create a comfortable and cosy atmosphere. Especially attractive is the close proximity to local hotel club facilities (appr. 600 meters away) for water sports and the breath-taking views across the sea which at each time of the day creates different colours and thus reflects diverse moods, too.

The partly covered terraces invite to sunbathe and to relax. For swimming, there is a kidney-shaped pool of about 8x4 m size and pebble beaches can be reached on foot in just some 5 to 10 minutes. In the small village of Ermioni with his picturesque fishing harbour there are shopping facilities and typical taverns. The busy city of Porto Heli entices many tourists with a large selection of restaurants, bars and an extensive offer water sports.
