Oreokastro, a modern holiday villa kept in style of the Cyclade islands, is situated on an exposed panoramic location about 1 km away from the little fisher harbour of Ambelas in the north of the island. Guests have spectacular views across the sea and to the opposite island of Naxos. The spacious house offers about 260 sqm dwelling space and it is equipped with comfortable and modern amenities. There is a modern, American type kitchen, which is fully equipped.

Marble floors enable decent inside temperatures in summer. Several terraces and an inner court yard offer numerous possibilities for sunbathing and relaxing. The pool has solar panels and thus swimming is possible early and late in the year, when the sea is still quite chilly. There is a pool house, which hosts a well equipped summer kitchen with BBQ and fridge. The nearest sandy beaches, little shops and taverns are found in Ambelas about 1 km away. In Naoussa with it's picturesque harbour there are grocery stores, supermarkets and a large number of shops, bars and restaurants. From July to mid September there is a minimum rental period of 2 weeks.
