Villa Sagara is part of a collection of three boutique, privately owned holiday homes located just 90 minutes from Colombo on the exceptionally beautiful southwest coast of Sri Lanka. Perched on the edge of a secluded beach near the small town of Induruwa, the villas enjoy an unrivalled, uninterrupted view of the Indian Ocean. There are three elegant two-storey villas which can be rented separately or together and comfortably accommodate up to 18 guests. Villa Sagara disposes of three suites, two of which are located on the first floor and one on the ground floor. They all have an ensuite bathroom with shower/WC. The bedroom on the ground floor also has an outdoor shower. In front of each suite, there is a balcony or a terrace which provides fantastic views of the Indian ocean. The garden in front of the villa passes directly into the beach.

While the villas are equipped to cater to the expectations of modern living, much of the design is based on traditional Sri Lankan homes.
