Spiti Fegarada in Achlia is located in the south-east of Crete and was finished in 2005. It is a small (80 sqm) but very bright and modern holiday house from which one can enjoy marvellous views of the sea and the coast. Spiti Fegarada disposes of its own pool which lies in the garden directly next to the villa. Beaches (pebble), shopping facilities and restaurants can all be found in a radius of 500 m. The house has two bedrooms, a living room with an open fireplace, a well-equipped kitchen with dinette and two terraces offering the possibilities for relaxing and barbecueing. All rooms dispose of air condition and thus have a pleasant temperature even in the hot months. The nearest airport in Heraklion is 110 km away. For this reason, we recommend hiring a car.
